SUMY STATE UNIVERSITY

Bachelor's degree in Applied Mechanics

2020-2022

SUMY STATE UNIVERSITY

Master's degree in Applied Mechanics

2022-2023

WORKING EXPERIENCE

FRONTEND DEVELOPER

TOPIZDATO Intership | 2024-2024

- I've created and optimized responsive user interfaces using HTML, CSS, and JavaScript.
- I worked closely with designers and backend developers to integrate APIs and implement functionality. I also achieved a 30% increase in production code performance by optimizing component loading.
- I adhered to coding standards and best practices.
- I conducted component testing to ensure the quality and security of the application.
- I participated in weekly stand-ups to discuss project progress and priorities.

WORKING EXPERIENCE

FRONTEND DEVELOPER
Team Challenge | 2024-2024

- Developed project from concept to deployment in a team environment.
- Implemented responsive and performant front-end solutions.
- Coordinated closely with other teams to ensure seamless integration and delivery.
- Conducted meetings to assess the estimates and complexity of tasks for the team.

FRONTEND DEVELOPER
Freelance | 2023-2024

- Responsible for developing and maintaining websites for key clients, ensuring responsive design and optimal performance.
- Managed multiple projects simultaneously, coordinating with clients to understand requirements and provide regular updates.
- Implemented cross-browser compatibility and performance optimizations across various platforms.
- Implemented performance optimizations for faster load times.
- Coordinated with clients to gather requirements and provide updates.
